

MASTERY WORKSHOP (WITH HANDS-ON TRAINING)

Hydroponics and Aeroponics

Grow Like a Pro

Specially designed for professional planters and potential entrepreneurs interested in modern agricultural techniques

24th August 2024
9.00 AM to 1.00 PM

**ILC Building (Skill Lab, 3rd floor) and
Department of Chemistry Lab (5th floor)
Faculty of Science, University of Colombo**

Resource Person

Dr. Thilini Perera

PhD in Plant Biotechnology
A Practitioner in Hydroponic and
Aeroponic Cultivation
Senior Lecturer,
Department of Plant Sciences,
Faculty of Science, University of Colombo

**All participants will receive
a certificate of participation.**

Registration LKR 10,000

Early-bird registration LKR 8,500
(Before 17th August 2024)

Refreshments provided.

Course fee can be paid to SLAAS
