Guidelines for Preparing and Submission of Abstracts – 2025

(A) GENERAL INSTRUCTIONS

- Abstracts should report original research.
- Documents that do not conform to the guidelines will be rejected.
- If abstracts included in the proceedings of the SLAAS Part I are not presented, the **Corresponding Author will not be allowed to present any paper at the SLAAS Session for a period of three years**, unless reasons for not presenting have been accepted by the Council. The Head of the Institution in which the work was carried out will also be informed by SLAAS of the non-presentation of the paper.
- Non-members cannot be co-authors except in the rare case of being overseas residents whose status must be certified by the Principal Author.
- All submissions based on human or animal research should attach a **certified copy of the letter of ethics approval** issued by an Ethics Review Committee.
- Abstracts can be submitted via the online submission system.
- When the abstracts are submitted via the online system, all relevant documents along with the abstract and the extended abstract need to be uploaded.
- Documents received **after the given deadline (30th June 2025), due to any reason will not be accepted unless there is a deadline extension.**
- Authors are encouraged to submit **an additional file** containing the essence of the submitted abstract written in **layman's language for publicity by media**. The following links can be used to get some insight on writing lay abstracts.
