

SRI LANKA ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE

Call for Manuscripts Journal of the SLAAS

The Sri Lanka Association for the Advancement of Science (SLAAS), with its legacy of providing leadership to develop Sri Lanka as a scientifically advanced nation, invites manuscripts for the Journal of the SLAAS. Members of the SLAAS may submit articles based on their research to be considered for publication. Please visit <https://journal.slaas.lk> for submission and guidelines. Manuscript shall be submitted only through online mode. The deadline for the 2nd issue will be on 25th August 2026; however, manuscripts can be submitted any time of the year and will be considered for the next issue. All articles will be peer-reviewed. Editorial Board will be responsible for the final compilation of each volume.
